

DID YOU KNOW?

- Upon receipt of an adoption judgment, the information should be uploaded into the child's agency case in TWIST.
- The information should be entered into the adoption petition/judgment screen in TWIST.
- The worker should enter the child's post adoption name in TWIST at this time.
- Once the post adoption name is updated in TWIST in the agency case, the name will be carried over to the provide case.

**If you have additional questions please contact
Veronica Sears, Adoption Services Branch
Manager at veronicaj.sears@ky.gov.**
