

DID YOU KNOW?

The Kentucky Transportation Cabinet introduces the Private Auto Provider Transportation Program.

- **Recipient of the transportation must meet the following criteria:**
 - **They are on Medicaid**
 - **Traveling to a Medicaid-approved provider**
 - **Receiving a Medicaid-approved treatment**
- **Person providing the transportation must meet the following criteria:**
 - **Be a private individual (not a business)**
 - **Meet transportation eligibility requirements**
 - **Be approved by the regional broker**
- **If both individuals meet all the criteria and everything is approved, the person providing transportation may be reimbursed at a set mileage rate.**

For additional information, please see the Kentucky

Transportation Cabinet Private Auto Provider

Transportation Program.
