

Did You Know?

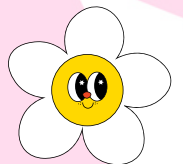

The SSW convenes a ten (10) day case planning conference within ten (10) calendar days of the temporary removal hearing or voluntary placement agreement (KRS 620.180).

The SSW completes the evaluation of the prior case plan/assessment within 30 working days of the development of the next case plan.

The SSW completes all case plan evaluations/assessments prior to the development of new case plans.

Case plans must be completed at critical junctures in the case and, at a minimum, every six (6) months.

For more information about case planning, please see SOP 4.18 Ongoing Case Planning.
