Dear PCC/PCP Provider,

The 2010 census is upon us and several of you have questions regarding the amount and type of information that can be shared about foster children with census workers. The following information is appropriate to share with census folks:

- Gender;
- Race/ethnicity; and
- Age

An example of how to provide the information that allows the census workers to collect individual information on children would be: "person 1 is a 5 year old Caucasian female, person 2 is a 12 year old African-American male, etc.

If you have questions concerning this process, please contact [Julie.Cubert@ky.gov](mailto:Julie.Cubert@ky.gov).

Thank you for your support and partnership in this endeavor.

Sincerely,

Michael Cheek  
Director
