

Did You Know?

- Training is now available to learn more about the health benefits that may be available for the families we serve within Protection and Permanency.
- Commissioner Teresa James has asked for P&P staff to participate in this web-based training.

Topics covered include:

- Overview of the Affordable Care Act;
- Overview of the Medicaid expansion including new eligibility groups;
- Information regarding how to apply for Medicaid;
- Explanation of Kynect and how to enroll;
- Provides contact information for referrals and enrollment;
- Provides a fact sheet and tip sheet regarding the health benefit exchange and different types of insurance.

The training can be accessed at:
