Frequently Asked Questions

Q. What is the NYTD 17 Year Old Survey?

A. The federal government requires States to collect outcomes information on all youth who are in care within 45 days of their 17th birthday through the National Youth in Transition Database (NYTD) Survey.

Q. Who is eligible for the survey?

A. Youth who turn 17 and are in State's care during the NYTD reporting period of October 1, 2013 through September 30, 2014. Youth have approximately 30 days to complete the survey and return to Shelley Brown in central office for processing.

Q. How will staff be notified of who is eligible to receive a survey?

A. A list of all eligible survey participants will be emailed to social workers, Independent Living Coordinators and PCC Admins and paper copies of the survey are mailed to each youth by Shelley Brown. Youth are required to answer at least one question with any response other than "declined." Surveys can be completed in person, by phone, email or mail.
