Some forms are incorporated into the Kentucky Administration Regulation (KAR) and can **only be modified** through amending regulations. Other forms within the SOP manual go through a formal vetting and approval process. Using unapproved versions of these forms can lead to liability issues for the user and can lead to incorrect information being provided/captured. If you have suggestions for modifications to any form currently in the SOP manual, please send those and why the modification is needed to dppsopeditor@ky.gov for consideration.
