## Miscellaneous

- The new SOP Policy Manual is finally here! We understand that, as with any new platform, there are some minor glitches. We are working to iron those out for a successful transition. Your patience is appreciated. Please let Julie Cubert and Melanie Daniels know if you have issues locating or opening links within the new manual.

## Important Notice

DCBS staff are required to use form versions that are within the SOP manual. Modified versions that are not in the SOP manual are **not permitted**. Some forms are incorporated into the Kentucky Administration Regulation (KAR) and can **only be modified** through amending regulations. Other forms within the SOP manual go through a formal vetting and approval process. Using unapproved versions of these forms can lead to liability issues for the user and can lead to incorrect information being provided/captured. If you have suggestions for modifications to any form currently in the SOP manual, please send those and why the modification is needed to [dppsopeditor@ky.gov](mailto:dppsopeditor@ky.gov) for consideration.
