

Did You Know?

There is a statewide consultation service available to DCBS workers that will help you determine whether a child is abused or neglected?

The UofL Pediatric Forensic Medicine team of doctors and nurses is available 24/7 to assist you in the early stages of physical abuse and neglect investigations.

Services include: telephone Support, consultation, evaluation, and court testimony.

Don't go it alone! Call for help.
(502) 629-6000 and ask for Forensics.

"Did You Know?" is brought to you weekly from the Coordinating Services for Children Workgroup.
If you would like more information, please contact the Medical Support Section by calling (502)-564-6852
