Did You Know?

Supplemental Security Income (SSI) is a federal government program that provides monthly benefits to adults and children with disabilities, and needy adults over the age of 65. When a child is eligible for SSI under this program the Cabinet, as representative payee, receives a monthly SSI payment on behalf of the child. The Cabinet can draw against these funds to cover the cost of the child's daily care and maintenance.

The Cabinet has contracted with Public Consulting Group, Inc (PCG) to identify all children who are currently in foster care and in the care/custody of the Commonwealth of Kentucky, who may be eligible for Supplemental Security Income (SSI) benefits from the Social Security Administration (SSA).

Claudia Evans is PCG's on-site Disability Eligibility Analyst representative working out of the cabinet's Frankfort, KY location. If you have a child that may be eligible for SSI benefits, please contact Claudia at 502-564-3427 or via e-mail at ClaudiaO.Evans@ky.gov or cevans@pcgus.com. You may also submit an SSI referral using the toll-free hotline 1-800-786-9024 or via the website : [SSI referral](#)

"Did You Know?" is brought to you weekly from the Coordinating Services for Children Workgroup.
