**DATE:**

**CASE:**

**SUBJECT:** Judge's Signature required by the Receiving State to Process Court  
Ordered Home Evaluation

For all home evaluations where the child is not committed to the Cabinet for Health and Family Services (CHFS) the State of requires that the Judge sign as the sending agency when the legal status of the child is court jurisdiction only. When a Kentucky court invokes the Interstate Compact on the Placement of Children (ICPC) it is obligated to comply with the Compact and KRS 615.030. CHFS will serve as the agent for the court throughout the Interstate process and will maintain compliance with the Compact. I am faxing the court order for reference and the 100A for your signature allowing the Cabinet to comply with your order for an interstate home evaluation. Please fax the signed 100A back to the attention of Kentucky Interstate Office at 502-564-5995. The ICPC office will process the interstate home evaluation upon receipt. If you have any questions regarding this memorandum contact the Kentucky Interstate office at [CHFS.INTERSTATE@KY.GOV](mailto:CHFS.INTERSTATE@KY.GOV) or (502) 564-2147.
